## January 2009 Annual SRAC Banquet

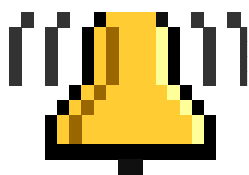

**Decathlon 2009**  
Through January 2009

Pilot	Loops	Beans	30 min	T & G	Bomb	Rolls	Balloon	15 T&L	Taxi	Duration	Score/Place

Time is flying by and December 31, 2009 will arrive before you know it. Will you complete your events before that fateful day or will you join a few unnamed pilots who braved below freezing weather and snow to be included in the circle of Decathlon competitors in 2008?

**There were 22 out for the January SRAC Breakfast. Plan to attend in February. The flying that follows will only get better when the January snows goes away and February makes us begin to think Spring. Many will attend the NW Hobby Expo following February's breakfast. They will be looking for that new motor or plane that will make a Spring debut at the field.**

**March Planning Calendar**

- March 7 Club Breakfast
- March 19 Club Meeting
